남남007,

Here's what's been going on lately with [CurseForge](#):**August 28****Project Update**Your project, [Medieval Arms](#), has updates.[The status of the project Medieval Arms has been changed to Changes Required](#)

Notes:

Your project, Medieval Arms (<https://www.curseforge.com/minecraft/mc-mods/medieval-arms>), requires changes before it can be approved:

Please include an English version in both the project description and summary, in addition to any other languages that are used. Make sure the English text appears first, at the top of the page, above any other language

More Information on project changes needed can be found here:
